A message from the President

Thank you for considering an investment with the Swan Chamber of Commerce. We have been serving the business community of the Swan region for over 45 years and as a not-for-profit organisation, you can be confident that your money is going back into the business community of our region.

The small business sector is the most dynamic, entrepreneurial and self-motivated sector of our community, yet it is the most unrewarded and imposed upon by government. It is the role of the Swan Chamber of Commerce to influence local and state government in ensuring better outcomes for the business community of the Swan region, to streamline and simplify processes and to facilitate the economic growth of the region.

Our membership and contacts are strong and growing, so investing with us means your company logo and branding will reach a wide audience of local potential clients and new business.

Please do not hesitate to contact our Strategic Advisor, Sandra Wallis at the Chamber should you have any further queries.

Yours in business

Gerry Hanssen

Hosting Opportunity: As a member you are invited to host one of the monthly networking events at your business.

Overview

Swan Networking combines all of the Chamber's networking groups including Swan Networking, Swan Junior Chamber (Swan JCC), Ellenbrook Networking and Swan Women in Business (SWIB). Swan JCC and SWIB will continue to hold a number of additional events throughout the year.

Swan Networking takes place on the second Tuesday of each month at various local Swan business premises. The format is casual and includes the opportunity for hosts and sponsors to address the group, with new members of the month given the opportunity to introduce themselves to the group and promote their business on the night. Networking is a numbers game ie more people = more business opportunities. As such, we encourage our members to bring along potential new networking members. Your first attendance is free, after which we would love to see you join up!

What your investment buys you:

Membership

- This one-off yearly payment gives two people from your company the chance of networking each month with other Swan Networking and Chamber members.
- Each additional staff member from your company pays just \$50 per year.

Hosting

Contact the Chamber to reserve your business as the host of a networking event on your preferred month. You will have the opportunity to showcase your business at your premises (or a venue of your choice if yours is unsuitable). As the host you are required to provide light refreshments, drinks and a door prize for the raffle. The Chamber takes care of RSVP's and any administrative and event duties prior to and on the evening. If hosting seems a little daunting, we encourage businesses to co-host an event with another business to share the costs and event organization on the night.

As a host:

- you are given the time to address the group and tell them about your business.
- your logo will appear on all event advertising and promotion in the weeks prior to the event including local media, the SCC website and Facebook page.
